Razor

Schick Quattro for Women Disposable Razor, \$7.50 for pack of three, drugstores

WHY IT WINS: We ditched our refillable razor for this fab new raspberry-scented disposable and now we don't want to dispose of it! We love the scent — and our silky legs.

WHO USES IT: Glee head makeup artist Eryn Krueger Mekash

Depilatory

Nair Shower Power Max, \$9, drugstores

WHY IT WINS: Think of it as the carefree way to get hair-free: Slather this cream on before you step in the shower, go about your usual bathing routine (the water won't wash it off), then use the sponge to remove the cream and your hair. That's it!

WHO USES IT: Television host Lilliana Vazquez

JESSICA SZOHR

When you're photographed as much as Jessica, every body part has to be flawless — even your armpits! No wonder she loves Dove's new winning deo at left: it's tough on wetness and odor, plus it promises silkier, smoother underarms in just five days.

Nail Polish

OPI Black Shatter, \$8.50, salons

WHY IT WINS: It's just So. Freakin'. Cool. Apply one coat of Black Shatter over any nail polish color and in minutes, you've got yourself an edgy, textured look.

WHO USES IT: Katy Perry and Serena Williams

Deodorant

Dove Ultimate Go Sleeveless Anti-Perspirant/Deodorant, \$4, drugstores

WHY IT WINS: It's a deodorant that doesn't require any sacrifice: Armpits are soft and smooth plus sweat- and stink-free!
